### Art

#### Right Eye, Left Leg

**Ifa Gallery, Until 20 November**

Check out this newly opened portraiture show at [Ifa Gallery](#) on Changde Lu, which features works by three Chinese artists – Li Rui, [Fan Jiupeng](#) and [Dai Guangyu](#). Li's works include paintings on the inside of glass vessels; Fan is showing double-sided paintings whose perspectives skew impossibly when viewed from the reverse side; and Dai is showing mosaics formed from acrylic paintings he rips up and reworks.
