Gardener

Roland Darjes solo exhibition

7 january – 5 february 2012

vernissage : 7 january 2012, saturday, 5 to 9 pm

How have concerns about global climate change affected gardeners and their behaviors?

What's Bugging Your Houseplants?

Houseplants pests can be a problem in the winter warmth of your home. You couldn't do this work without your support!

Edible Landscaping

Ideas for growing vegetables, herbs, fruits & edible flowers.

Talk to the gardener at ifa gallery from 7th january – 9th february.

please contact us for more information, high resolution images or to schedule an interview with the artist.
