LI CHEVALIER EXHIBITED @ SANTA MARIA DELLA SCALA IN SIENNA

OBSCURE CLARTE

01.JUN.2018 > 6.JAN.2019

THE LONGTIME RELATIONSHIP WITH SIENA AT THE ORIGIN OF LI CHEVALIER'S EXHIBITION

Li Chevalier divides her life between two countries, France and China. She shows her ideas thanks to music and pictorial lightnesses. In Obscure clarté exhibition Li Chevalier's eclecticism and all aspects are displayed with a set-up that takes advantage of the empty and suggestive spaces of the "Magazzini della Corticella".
