遇见越南当代艺术

Meeting Vietnamese Contemporary Art

Text / Stella

越南当代艺术，对于中国，或者对于西方都是一个神秘而知之甚少的话题。艺法画廊《越南当代艺术掠影》展带来了越南年轻一代艺术家的创作，让你一窥这个熟悉却又陌生国家的新生艺术力量。这七位艺术家来自于河内，大叻，西贡等不同地方，运用绘画，摄影，装置等不同形式，却都描绘和表达了他们眼中与心中，昨日与今日的越南，和越南人生生不息的命运，充满了力量和诗意。对于作为旁观者的我们，不但是一个张看的机会，更是一份难得的惊喜。

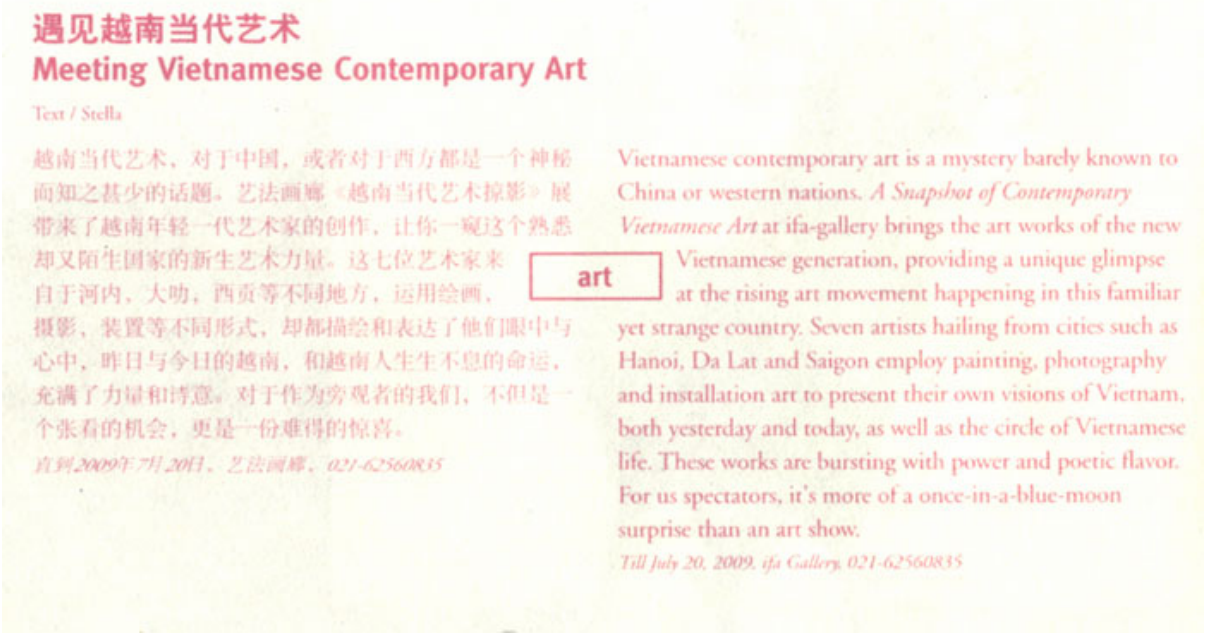

直到2009年7月20日，艺法画廊，021-62560835

art

Vietnamese contemporary art is a mystery barely known to China or western nations. *A Snapshot of Contemporary Vietnamese Art* at ifa-gallery brings the art works of the new Vietnamese generation, providing a unique glimpse at the rising art movement happening in this familiar yet strange country. Seven artists hailing from cities such as Hanoi, Da Lat and Saigon employ painting, photography and installation art to present their own visions of Vietnam, both yesterday and today, as well as the circle of Vietnamese life. These works are bursting with power and poetic flavor. For us spectators, it's more of a once-in-a-blue-moon surprise than an art show.
